The vineyard

- **GRAPE:** Malvoisie, Rolle vermentino

- **FLOOR TYPE:** The vines are planted a few metres from the Bages and Sigean ponds, on clay-limestone soils. This terroir is caressed by gentle sea winds, which temper the sunshine.

- **YIELD:** 35 hl/ha

- **AGE OF THE VINES:** More than 50 years

- **WINEMAKING:** Low temperature vinification, carried out with a fervour worthy of the great appellations, produces fresh and very aromatic wines.

- **BREEDING:** In stainless steel vats for 6 months on fine lees, and bottling early setting to maintain the intensity of aromas.

- **TASTING:**

Robe: Pale yellow with green highlights

Noze: Powerful and fresh where lemon, pineapple and grapefruit will make you dream of this idyllic place.

Stuffy: Lively and fresh; with a final notes of citrus and pineapple.

- **GASTRONOMY - FOOD PAIRING:**

Serve at 10 C °

Accompany: Fish, crustaceans, shellfish, eggplant fritters and zucchini gratin.

- **WORDS OF THE WINEMAKER:**

The white wine that has brought the most awards to Château de l'Île is the Emilie cuvée.
